SAFETY DATA SHEET PC 24 Sapphire Float

1. Identification		
Product identifier		
Product name	PC 24 Sapphire Float	
Recommended use of the ch	emical and restrictions on use	
Application	ceramic glaze	
Details of the supplier of the s	safety data sheet	
Supplier	American Art Clay Co Inc	
	6060 Guion Road Indianapolis,	
	IN 46254-1222	
	USA	
	Toll Free: 1-800-925-5195 ext. 1303	
	Local: 1-317-243-0066 ext. 1303	
Emergency telephone numbe	—	
Emergency telephone	1 317 243 0066 ext. 1303 Mon-Fri, 0900-1700 EST	
2. Hazard(s) identification		
Classification of the substance	e or mixture	
Physical hazards	Not Classified	
Health hazards	Not Classified	
Environmental hazards	Not Classified	
Label elements		
Hazard statements	NC Not Classified	
Other hazards		
none present		
3. Composition/information of	n ingredients	
Mixtures		
Composition comments	Only ingredients listed above are notifiable for this product. If none are shown then all ingredients are exempt.	
4. First-aid measures		
Description of first aid measu	res	
General information		
Ingestion	Do not induce vomiting. Rinse mouth thoroughly with water. Give a few small glasses of water or milk to drink. Get medical attention if any discomfort continues.	
Skin Contact	Wash skin thoroughly with soap and water.	
Eye contact	Rinse with water.	
Most important symptoms and effects, both acute and delayed		
Inhalation	Read Section 2 for any specific precautions associated with this product. In general, breathing any type of dust / mist can and may aggravate irritation of the throat and lungs.	

Ingestion Read Section 2 for any specific precautions associated with the use of this product. Product with specific warnings about ingestion will give guidance there. Skin contact Read Section 2 for any specific precautions associated with the use of this product. In gene most ceramic glazes, clays and special products will tend to have a drying effect on the skin and may cause some sensitivity to users with sensitive skin. Eye contact Read Section 2 for any specific precautions associated with the use of this product. In gene most ceramic and special products contain materials that maybe abrasive to eyes. Keeping materials from contacting the eyes is prudent. If contact does occur, flush with clean water, not rub. Indication of immediate medical attention and special treatment needed Notes for the doctor Special products with specific precautions associated with the use of this product. In gene most ceramic and special products contain materials that maybe abrasive to eyes. Keeping materials from contacting the eyes is prudent. If contact does occur, flush with clean water, not rub. Indication of immediate medical attention and special treatment needed Notes for the doctor Notes for the doctor Treat symptomatically. 5. Fire-fighting measures Extinguishing media Extinguishing media Use fire-extinguishing media suitable for the surrounding fire. Special protective equipment appropriate for surrounding materials. For firefighters Special protective equipment and emergency procedures Personal precautio

If any environmental warnings such as; H411 or H412 ar listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Methods and material for containment and cleaning up
Environmental precautions Please read Section 2 completely. If any environmental warnings such as; H411 or H412 ar listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Methods and material for containment and cleaning up
listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. Methods and material for containment and cleaning up
Methods for cleaning up Collect spillage for reclamation or absorb in vermiculite, dry sand or similar material
Reference to other sections For waste disposal, see Section 13. For personal protection, see Section 8.
7. Handling and storage
Precautions for safe handling
Usage precautions Read label before use. Do not eat, drink or smoke when using this product. Good personal hygiene procedures should be implemented. Wash hands and any other contaminated area of the body with soap and water before leaving the work site.
Conditions for safe storage, including any incompatibilities
Storage precautions Store in tightly-closed, original container in a dry and cool place.
Specific end uses(s)
Specific end uses(s)The identified uses for this product are detailed in Section 1.

Ingredient comments	Only ingredients listed n Section 3 are notifiable for this product. If none are shown then all ingredients are exempt.
Exposure controls	
Appropriate engineering controls	No specific ventilations requirements unless the "FAN" pictogram is shown above or specified in Section 2.
Eye/face protection	No specific eye protection required unless the "EYE PROTECTION" pictogram is shown above or specified in Section 2.
Hand protection	No specific hand protection required unless the "HAND PROTECTION" pictogram is shown above or specified in Section 2.
Hygiene measures	Using good personal hygiene practices is always appropriate. Keeping a clean work space, cleaning up properly when done, and not eating, drinking or smoking when using this product.
Respiratory protection	No specific respiratory protection required unless the "RESPIRATOR" pictogram is shown above or specified in Section 2. Using the appropriate certified protection for the operation is important if required.

9. Physical and Chemical Properties

Information on basic physical and chemical properties

Appearance	Colored liquid.
Color	Various colors.
Odor	Almost odorless.
Odor threshold	No information available.
рН	6-8
Melting point	No information available.
Initial boiling point and range	No information available.
Flash point	No information available.
Evaporation rate	No information available.
Flammability (solid, gas)	No information available.
Upper/lower flammability or explosive limits	No information available.
Vapor pressure	No information available.
Relative density	Greater than 1.0
Solubility(ies)	Not applicable.
Partition coefficient	No information available.
Auto-ignition temperature	Not applicable.
Decomposition Temperature	No information available.
Viscosity	No information available.
Explosive properties	none
Oxidizing properties	none
Other information	Not applicable.

10. Stability and reactivity	
Reactivity	There are no known reactivity hazards associated with this product.
Stability	No particular stability concerns.
Possibility of hazardous reactions	None known.
Conditions to avoid	None known.
Materials to avoid	None known.
Hazardous decomposition products	None known.
11. Toxicological information	
Information on toxicological eff	fects
Toxicological effects	Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any).
Skin corrosion/irritation	
Skin sensitization	
Skin sensitization	Please read Section 2 thoroughly to understand the toxicological risks (if any) and precautions for safe use (if any).
Eye contact	May cause temporary eye irritation.
12. Ecological Information	
Ecotoxicity	Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers.
Ecotoxicity Persistence and degradability	listed in Section 2, please use appropriate procedures when disposing of product and
·	listed in Section 2, please use appropriate procedures when disposing of product and
Persistence and degradability	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers.
Persistence and degradability Persistence and degradability	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available.
Persistence and degradability Persistence and degradability Biodegradation	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available.
Persistence and degradability Persistence and degradability Biodegradation Bioaccumulative potential	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available. Not inherently biodegradable.
Persistence and degradability Persistence and degradability Biodegradation <u>Bioaccumulative potential</u> Partition coefficient	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available. Not inherently biodegradable.
Persistence and degradability Persistence and degradability Biodegradation Bioaccumulative potential Partition coefficient Mobility in soil	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available. Not inherently biodegradable. No information available.
Persistence and degradability Persistence and degradability Biodegradation Bioaccumulative potential Partition coefficient Mobility in soil Mobility	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available. Not inherently biodegradable. No information available.
Persistence and degradability Persistence and degradability Biodegradation Bioaccumulative potential Partition coefficient Mobility in soil Mobility Other adverse effects	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available. Not inherently biodegradable. No information available. Semi-mobile.
Persistence and degradability Persistence and degradability Biodegradation Bioaccumulative potential Partition coefficient Mobility in soil Mobility Other adverse effects Other adverse effects	listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available. Not inherently biodegradable. No information available. Semi-mobile.

considered.

14. Transport information

General

The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, DOT).

UN Number

Not applicable.

UN proper shipping name

Not applicable.

Transport hazard class(es)

No transport warning sign required.

Packing group

Not applicable.

Environmental hazards

Environmentally Hazardous Substance

Please refer to Section 2 for any environmental hazards associated with this product. If H411/H412 warnings are shown then please verify packaging and labeling requirements for larger volumes.

Special precautions for user

Not applicable.

Transport in bulk according to Not applicable. Annex II of MARPOL 73/78 and the IBC Code

15. Regulatory information

US State Regulations

California Proposition 65 Carcinogens and Reproductive Toxins

None of the ingredients are listed or exempt.

Massachusetts "Right To Know" List

The following ingredients are listed:

red iron oxide 1-5% silica 10-30% Hydrated Aluminium Silicate 1-5% Rutile 1-5% 2-aminoethanol <1%

Rhode Island "Right To Know" List

The following ingredients are listed:

red iron oxide 1-5%

silica 10-30%

Hydrated Aluminium Silicate 1-5% Rutile 1-5% 2-aminoethanol <1%

Minnesota "Right To Know" List

The following ingredients are listed:

red iron oxide

1-5%

silica

10-30%

Hydrated Aluminium Silicate 1-5%

1070

Rutile 1-5%

2-aminoethanol

<1%

New Jersey "Right To Know" List

The following ingredients are listed:

red iron oxide 1-5%

silica

10-30%

Hydrated Aluminium Silicate

1-5%

Rutile

1-5%

2-aminoethanol <1%

Pennsylvania "Right To Know" List

The following ingredients are listed: *red iron oxide* 1-5% *silica*

10-30%

Hydrated Aluminium Silicate 1-5% Rutile

1-5%

2-aminoethanol

<1%

Inventories

Canada - DSL/NDSL

All the ingredients are listed or exempt.

US - TSCA

All the ingredients are listed or exempt.

US - TSCA 12(b) Export Notification

All the ingredients are listed or exempt.

16. Other information	
General information	The following are the top 5 materials by weight listed for New Jersey (if applicable):- Water 7732-18-5, Feldspar68476-25-5, Non Lead Frit65997-18-4, Nepheline Syenite37244-96-5 Gillespie Borate
